OBO Quick series

Arrangeable cable and pipe clips – available with stagelessly adjustable clamping range or safety lock

Quick clip
The high-speed clip
- Extreme loading capacity
- Insertion slopes
- Slot fastening
- Stackable among each other
- Latch-in hole/middle stopper

starQuick clip
- Snap lock with patented safety system
- All sizes clip together, up to size SQ28
- UV-proof and weatherproof polyamide
- Wall and ceiling mounting

Multi-Quick clip
- One clip for multiple dimensions
- Universally applicable
- PG and metric
OBO Quick series

The OBO Quick series offers three different types of halogen-free pressure and pipe clips for time-saving and secure fastening of cables and electrical installation pipes. Benefit from short mounting times when fastening installations on walls and ceilings, both indoors and outdoors.

All the clip types and sizes of the OBO Quick series can be interconnected easily, thanks to the shared arrangement contour. This means you can mount up to three clips with a single drill hole. The patented shape of the arrangement contour permits a particularly high carrying capacity.
